### Training Calendar

Here is the weekly training calendar for February 20-26. These calendars will be posted here weekly, as well as posted on our locker room bulletin boards and emailed out by your Training Manager.

[Make sure to submit your clinic feedback for the clinics you've attended.](#)

### SKI/RIDE Talks: Shaun Cattanch

In January we recorded 8 SKI/RIDE Talks at the Vilar Center. Shaun Cattanch is the Global Experience Manager at Burton Snowboards, and his talk "Growing Youth Snowboarding" is now live. [Check out Shaun's talk here!](#)

We'll release a new video every few weeks, so stay tuned for more!

### Milk Run Safety and Speed

Morning Milk runs are an incredible employee benefit, and we all love getting out for some early turns to evaluate conditions and get ready for the day.

Please remember that there are snowmobiles and snowcats operating during our milk run time period. Take the time to "warm into" the day, and exercise caution when skiing or riding during milk runs.

Let the snow fly!
